## COTEL SITEMASTER HANDHELD RADIO

### A RELIABLE COMMUNICATIONS SOLUTION FOR ANY BUSINESS

Hand Units are an ideal portable solution for staff who travel around the site, or when a mobile installation into a vehicle or at an office desk isn't required. They are also a perfect solution if you're looking for Short Term Hire radios for events, etc.

All of our two-way radio systems are reliable, easy to use, small-but-powerful industry quality solutions, with support for many channels and features available upon request.

## FEATURES

- Intuitive, reliable and easy-to-use instant communications
- Light and compact, dust and water resistant
- Powerful radios with a long battery life
- Support for up to 16 Channels
- Channels are announced and displayed
- Emergency and Lone Worker features available
- Scan, Monitor and Caller ID features available
- Available in VHF or UHF, Analogue or Digital
- Low Cost, Rugged, Advanced and Digital models available, each with their own advantages and universal operation
